Subject: URGENT deadline CCS question

Hi, Enesta, Richard,

Hope you're both well. I have a 5 p.m. deadline for this. There is language on EPA's website that says EPA directly implements the SDWA UIC permitting Class VI Program nationally, except for the State of North Dakota. I know that North Dakota applied for primacy in 2013, but as of right now I did not think that had yet been approved.

Can you explain? Who would have primacy to issue class VI permits right now if someone were to apply for a permit in North Dakota?

<http://water.epa.gov/type/groundwater/uic/primacy.cfm>

Many thanks,

Bridget
